

Tomatin UK Exclusive 2005

Cask 40389

Nose: Crunchy green apples and lemon zest are to the fore. Becomes sweeter in time with notes of Victoria sponge, buttercream and white chocolate. There's an underlying floral aroma throughout.

Taste: Much heavier than the nose suggests, with the fruity notes edging towards tropical. It's malty with oak-driven notes of brown sugar and light spice.

Finish: Long and warming.
