

Cask Strength

Strength: 57.5% alc./vol.

The Cask Strength Edition is our most vivacious expression, yet still retains Tomatin's characteristically rich and sweet undertones. Matured in a classic combination of first fill ex-Bourbon and ex-Oloroso Sherry casks.

Nose – Opens with home-made ice cream drizzled with golden syrup and crushed walnuts, moving on to Seville orange, tablet and black pepper.

Palate - Flavours of malt loaf and marzipan balance with crystallised ginger and orchard fruits.

Finish - Dry, lingering and spicy
