

Dualchas American Oak

Strength: 43% alc./vol.

For an introductory single malt, Dualchas offers a remarkable amount of character; a fitting welcome to the Tomatin range.

Nose—Opens with a burst of Bourbon barrel sweetness –aromas of custard cream biscuits, white chocolate, vanilla bean, white sugar and golden syrup, before hints of sandalwood, desiccated coconut and cinnamon give a nod to the use of Virgin American Oak.

Palate—Waves of sweet vanilla and fresh fruit with a gentle touch of white pepper and ginger. The quality of the Tomatin spirit is on full display here with pink lady apples, rhubarb and candied orange peel.

Finish—Fruit and oak combine to create a clean yet intriguing finish.
